MEMORANDUM FOR: Project Comptroller

SUBJECT : Contract Employees - Intent of Contract

Paragraph 6.b. of the contract signed by Project contract employees states that: "transportation including authorized travel expenses, to and from areas of our activities", will be provided. It is the intent of this contract provision that authorized travel expenses, in line with current Agency regulations, would be provided when authorized. It is further intended that, as an administrative manner of handling, contract employees will be authorized such transportation expenses and per diem as are normally allowed to Agency staff employees for similarly authorized travel. It is not intended that actual expense travel will be authorized such contract employees.
